## REPORT OF THE PLANNING BOARD OF GILFORD

1963 - 1964

---

The Planning Board has devoted its time this year to the consideration and study of a proposed ordinance for the Gilford Beach. It was requested to do so by the residents of Gilford at a special town meeting held earlier in the year.

After holding two public hearings, a proposed ordinance for the Gilford Beach has been submitted and will be acted upon by the voters at this year's town meeting.

The planning board will continue to hold regular meetings to study recommendations for the long range planning of the Town of Gilford.

Respectfully submitted,

HONNOR W. WILEY,  
Secretary

**REPORT OF THE TRUSTEES OF  
GILFORD PUBLIC LIBRARY  
FOR 1963**

---

The year 1963 has been a year of significant progress in the improvement of library service to the citizens of Gilford.

The library is now open 24 hours a week in contrast to the 10 hours of former years.

Our book budget has been increased, enabling us to purchase a wider selection of good books and magazines for you.

There have been many physical improvements to the library building itself; including new shelving, lighting, shades, a dehumidifier, electric clock, window screens, and the painting and varnishing of the interior.

We are very grateful for the gifts of money, time, and other tangible demonstrations of interest in the library by Gilford people. A pegboard for display purposes was given by an anonymous donor. The town instigated the providing of a paved parking area, and our new janitor, Allen Taylor, donated his time in building a bike-rack. Allen is assisted in his duties by Lorenzo Morin, Jr.

Dave Smith, our former janitor, died after a long illness. He gave many years of faithful service to the library, with many personalized touches such as the daily bouquets of beautiful flowers on the librarian's desk.

Another sad note of the year was the loss of our librarian, Mrs. Kathleen Taylor, who resigned July 1, because of her family's moving to Peterborough. Mrs.

Taylor has been librarian since July, 1960. In these three years she has been instrumental to a great degree in initiating and carrying out improvements in the Gilford Public Library. Her tireless enthusiasm and efficient organization made her a joy to work with.

We are fortunate that the assistant librarian, Mrs. Ruth Pratt, who was trained by Mrs. Taylor, was able to take over the librarian's position. She was appointed probationary librarian. Mrs. Shirley Greenwood has also acted as an assistant librarian during the year.

Mrs. Taylor and Mrs. Pratt both attended the summer school training course for public librarians at Durham last July. This was the third year for Mrs. Taylor and the first for Mrs. Pratt. These courses are very helpful in training librarians for better service in their communities.

Respectfully submitted,

ELEA LINDSAY,  
Chairman  
WILLIAM LORD  
DOROTHY SIMONDS

## Report of Librarian of Gilford Public Library

1963

---

On April 1, 1963, the new library hours went into effect. The library is now open 5 days a week. The hours are 2-6 p. m. on Monday, Wednesday and Thursday and from 2-8 p. m. on Tuesday and Friday. Since the change, we have found an increase, not only in circulation but also in the student use of our reference materials.

Mrs. Kathleen Taylor, our librarian since 1960, was forced to resign in July. She has been missed by our patrons as well as her fellow workers.

Throughout the year, the librarians have been helping with outside projects. A display of 40 books was set up during the last Town Meeting. During Children's Book Week, held in November, the Librarian spoke to the combined Third grades at the Gilford Grade School. We are also loaning books to Mrs. Van Etten for her reading classes.

The Bookmobile from the New Hampshire State Library has continued to make quarterly visits to our library. This is a service which our library is very fortunate to have. It supplements our own collection with fiction and non-fiction in all age categories.

We at the library wish to thank the many people in Gilford, workers and borrowers, who have contributed to making our library an even better library than it was last year.

Respectfully submitted,

RUTH S. PRATT,  
Librarian

## GILFORD FIRE DEPARTMENT

1963

---

During the year 1963 your Fire Department responded to a total of 102 alarms, of which 27 were in structures, 30 were in grass or brush, 7 automobile fires, 3 flooded oil burners, 12 miscellaneous fires and 16 Mutual Aid calls. Your Fire Department also responded to 2 calls for the Resuscitator and 2 calls to pump water due to non-functioning water systems.

The Lakes Region Mutual Aid Association came to our assistance 3 times in the past year.

We experienced a very explosive situation this fall during the extreme dry spell. During this period your Fire Department responded to seven calls from the United States Forestry Department. The Fire Department dispatched a tank truck to the Laconia Airport to fill the Forestry airplane. This airplane ferried loads of water to the White Mountain National Forest and dumped its loads of water on forest fires that burned throughout the north country. These loads of water either extinguished or controlled the fires until firemen could reach these locations, many of which were in very inaccessible locations.

Locally, your Fire Department had one or two cars on the road constantly in the hope of spotting fires immediately so that they could be extinguished before they became major fires.

Our sincere thanks go out to the Police Department and to each and every one of you for the help and cooperation shown during this most hazardous period.

During this past year the Lakes Region Mutual Fire Aid Association has started hose laying contests. We are

mighty proud of our boys as they are presently the Champions. These contests will be resumed in 1964 and we invite you all to attend these contests and we guarantee your enjoyment.

It is very possible that the Fire School will be built in Gilford this summer. We now have temporary quarters at Lily Pond but the permanent school ran into a few problems which should be overcome shortly.

The Fire Department wishes to express its extreme appreciation to the Women's Auxiliary for the terrific service they have given at fires. You can depend on the women being there with coffee in the winter and ice water in the summer whenever we have a big fire. We also wish to thank the Auxiliary for their many contributions to the Department. Our new flag is one of their contributions.

A receiver was installed at Police Headquarters this year so that the Police might know of fires immediately for the control of traffic. We wish to thank our Police Department for their cooperation.

Respectfully submitted,

## REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

---

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump—it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children-caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

### **Number of Fires and Burned Areas in 1963**

State — Fires, 873; area-acres, 2,117.

District — Fires, 153; area-acres 596.

Town — Fires, 3; area-acres, 5½.

## REPORT OF THE POLICE DEPARTMENT

For the Year Ending Dec. 31, 1963

---

I hereby submit my report for the year ending December 31, 1963.

It will be noted that again this year, as well as in past years, the work of the Police Department has increased. With the increase in population, as well as the development of the recreation facilities, this work is bound to continue to increase as time goes on.

Fifty-nine traffic accidents were investigated, with no fatalities, fortunately. The police cruiser traveled 51,018 miles, and approximately 4,000 additional miles were put on the Chief's car at times when a second car was needed, or when the cruiser was in the garage for service or repair. This car is also equipped with radio, siren and emergency lights. The cruiser and two men from this department participated in the capture of a murderer on Route 106 in Belmont, early in the year.

During the year we recovered five stolen cars. It was found that one of these was in the possession of two youths who had escaped from a correctional institution in the State of Maine. The capture of these boys led to the clearing of several cases of larceny in surrounding towns.

We worked very closely with the Department of Safety, the Belknap and Carroll Counties Sheriffs' departments, the F.B.I., the N. H. State Liquor Commission, as well as local Police Departments from the surrounding area. Our radio station worked with the patrol boats on Newfound Lake, Lake Wentworth as well as those on Lake Winnepesaukee. Seven persons were arrested for other departments.

We attended and assisted at 17 fires in 1963, and during the time that it was so dry, in the fall, we worked with the Fire Dept. in extending patrols. Several small fires were detected and caused to be extinguished before harm was done.

While on routine patrol assistance was rendered to individuals on 87 occasions, and to other departments 64 times. Ninety-three bank escorts were made. Overwidth trailers and buildings were escorted 13 times; 36 street lights were reported out.

In the complaint department 145 miscellaneous complaints, 49 dog complaints, 55 family disturbances, and 38 prowler complaints were investigated. There were 29 cases of vandalism, of which 10 cases were cleared. Fourteen cases of breaking and entering were reported with 6 of these cleared. We had 32 reported cases of larceny, most of which occurred at the Belknap Area. The large crowds at the motorcycle races and the tremendous influx of skiers in the winter make this figure difficult to keep down. However, we were able to either clear partially or completely, 21 of these cases.

Three trips were made to the State Hospital in Concord and nine emergency trips were made to the Laconia Hospital.

In February I attended a two week course on Criminal Investigation in Concord. This was conducted by members of the Federal Bureau of Investigation. In Sept. I enrolled at St. Anselm's College for a course in Criminal Interrogation.

CHARLES F. BURDITT,  
Chief of Police

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the Members of the School Board,  
Parents and Voters:

This thirteenth annual report since I became Superintendent of Schools in this Union includes the necessary statistics to furnish a continuing history of education in Gilford.

There has been a tremendous progress during those years with some of the items including:

(1) The completion of the second addition to the school with a bond issue of \$177,000 for classrooms and a beautiful auditorium.

(2) The completion of the third addition of classrooms at \$112,000.

(3) The maintenance of the best school lunch program in New Hampshire with a modern kitchen and equipment in the addition.

(4) The best teaching conditions in New Hampshire with small enrollments so that teachers may give individual instruction.

(5) A very small turnover in the teaching force annually.

(6) An annual testing program on subject matter.

(7) An organized music program from the kindergarten through the sixth grade.

(8) The introduction of a kindergarten.

(9) Departmentalization of Grades 5-6 for better teaching and better preparation for junior high school.

(10) A program of school evaluation where all teachers are asked to present their ideas on the future progress of Gilford education.

(11) Development of a school library.

(12) Part-time remedial reading teacher.

(13) Development of the position of supervising principal.

(14) Part-time secretary.

(15) The best visual education equipment.

(16) Modern science equipment and a Science Fair.

(17) Complete school nurse and school physician program.

(18) The development of a safe, efficient and economical system of buses and transportation.

(19) Provisions for television and the use of TV educational programs from Channel 11.

I want to express my appreciation to the wonderful men and women who have served on the School Board during my thirteen years and who have served the best interests of the school district and have been interested in maintaining Gilford as an outstanding school system, including Rangwald Olsen, Winnifred H. Varney, Ethel C. Dolloff, Jack Sawyer, James Stamps, Richard C. Talbot, Esther Peters, Roland Keith, William Brisse, and Esther Nighswander. It should be noted that Jack Sawyer served without charge as Clerk of the Works on the recent addition, with several visits daily to check construction progress and problems.

It has been my good fortune to have had excellent Principals and Teachers, Cafeteria Directors, Nurses and Music Teachers, Bus Operators, Custodians, and Teacher Consultant.

The new Municipal Budget Committee has been very cooperative with the School Board and the school problems and has given the schools an ample budget for the best education.

I want to thank the Parent-Teacher Association, the Selectmen, Civic Organizations, and all citizens and parents for their assistance.

Cordially yours,

GORDON L. FOX,  
Superintendent of Schools
